

A note from Shattuck's Chamber & Main St. Office

There are services available from this office to you. I invite you to contact the office if any of the services mentioned within might benefit your business or organization.

Access to these services through this office are made possible because of the Shattuck Chamber & Main St. partnership and those businesses/organizations/individuals that financially support either organization. Please consider investing in the Chamber or supporting the Main Street program or both! If only one is in your budget, please consider the one that offers the most benefit for your individual business or organization or the one that you feel best benefits the community of Shattuck. Thank you for your consideration.

This office is provided ultimately to improve the business climate for the community of Shattuck, Oklahoma. Your input, presence, volunteerism, partnership, financial contributions are always welcome.

Thank you for your support,
Tonja Jones
Executive Director

Services for Any Local Business or Organization

Because several businesses and organizations as well as a few individuals in Shattuck support the Chamber with an annual membership investment,

Because the Town of Shattuck, in partnership with private businesses and community members, financially support Shattuck Main Street,

Because the Volunteer Boards of Directors for the two organizations and the Town of Shattuck are willing and able to cooperate in community development toward a good business climate and improved quality of life in Shattuck, Oklahoma, and

Because both Shattuck Chamber and Shattuck Main St. primary concerns are the betterment of our community and businesses, which is in the best interest of those members and donors as well, the
